What are the Essentials of Tres Dias?

ALTD has the Serenade on Saturday and the Way of the Cross on Friday. We begin on Thursday evening and conclude on Sunday. We sing DeColores

before every meal. We give out trinkets and letters for Palanca. Did you know that these are local community traditions, and not Tres Dias Essentials? If you are fuzzy on the Essentials versus community traditions, I invite you to attend the Essentials of Tres Dias training that is offered every other year. It is a requirement to maintain our charter (community in good standing) that we hold Essentials Training. The last one was held in 2015 when we hosted the Tres Dias Assembly in Rockford, along with Northern Illinois Tres Dias (NITD).

If you are involved in upcoming Tres Dias Weekends or would like to serve in leadership for a weekend in the future, I hope you will attend this refresher course on the Essentials, conducted by a member of the International Secretariat. COMING FEBRUARY 2018!!

Weekend #38 Approaches!!

The next Rector and Rectora will be announced at the closing of the women's weekend.

Please start praying about how you can support the upcoming weekend, whether it is by serving, sponsoring, praying, palanca-ing or all of the above!

Contact information for each team is below, subject to team changes.

Responsible Sponsorship

By Leader's Chair Karen Weis

Since our Essentials Training with Northern Illinois Tres Dias has been postponed until February, it seems timely to address "Responsible Sponsorship" in light of our two upcoming #37 weekends.

It has been said that the most important part of Tres Dias is sponsorship.

We can trace problems with growth, as well as issues that occur on weekends, back to the issue of Sponsorship. We assume that everyone knows the how and why of sponsorship.

Sponsorship is the first act of palanca before the weekend ever begins. The experience of the weekend begins with how we handle sponsorship.

Sponsorship undergirds the weekend with sacrificial love. Sponsors use discernment in recruiting participants, embody the personal commitment of the community to each participant, and provide personal acts of love such as prayer and palanca.

Sponsorship is vital – Tres Dias operates on sponsorship. Personal sponsorship ensures the

personal care and commitment of God to each participant.

Why do we sponsor men and women to attend a Tres Dias weekend? To bring spiritual revitalization to Christians who will, in turn, bring new life and vision to the work of the church, home, workplace and community.

Sponsorship is a way to practice your personal piety, study, and action.

Responsibilities of Sponsors before the weekend:

*Know your participant. Sit down and converse with them about attending the weekend. Answer their questions – there are 'no secrets.' The only qualification to attend a weekend is that they desire to have a closer walk with Jesus Christ.

*Pray for your participant.

*Bring them to the send-off.

*Check on your participant's family during the weekend. Do they need anything? Take care of it!

*Come to the closing, and take them home.

Responsibilities of Sponsors after the weekend:

*Invite them to the Victory Secuela (December 1 at Westminster).

*Encourage your Pescadore's Christian growth.

*Help your Pescadore find/form a Reunion Group.

*Guide your Pescadore as they sponsor others.

When you sponsor a participant, you sponsor them before, during, and after their weekend. And it is a great blessing to provide what has been provided to you by your own sponsor. GLYASDI!

A Request for Prayer...

Dear Brothers and Sisters,

THANK YOU THRIVENT!!

ALTD wants to send out a big **THANK YOU** to the Thrivent Member who donated their action team for the upcoming team training on September 16th. This means that Thrivent Financial will donate \$250 seed money to help improve our training. Would you also like to donate your action team? Please contact any Secretariat member to help get you started!

Now that you have experienced a Tres Dias Weekend, you may more fully know the power of prayer. One way to continue growth in that area is to keep praying for others, even those you do not know!

One opportunity is through our Tres Dias International Prayer Vigil. You can pary for 1 happening all over the world. The best part is that due to the time changes, a slot at Africa can be covered by us at 2 in the afternoon. What an awesome blessing!
