AMAZON SMILE

If you plan on using more of an online shopping plan for your gifts this year and you use Amazon.com for gift buying, please consider using AmazonSmile. If you choose Abundant Life Tres Dias as your charitable organization, the AmazonSmile Foundation will donate 0.5% of your purchase price to Abundant Life Tres Dias, with no additional cost for you. These donations are made by the AmazonSmile Foundation and therefore are not tax deductible. Before starting to shop, please go to smile.amazon.com and choose Abundant Life Tres Dias as your organization and then begin shopping. You have the exact same items and pricing that you would going to Amazon.com, but by first going to smile.amazon.com this allows ALTD to receive the 0.5% donation. These donations help to fund our organization and helps allow us to keep bringing God's love to people at our weekends and beyond our weekends. Please consider using this great tool, when starting your Christmas shopping or for any other on-line shopping needs.

“May the God who gives endurance and encouragement give you a spirit of unity among yourselves as you follow Christ Jesus, so that with one heart and mouth you may glorify the God and Father of our Lord Jesus Christ” Romans 15:5-6

CURRENT RECTOR AND RECTORA DUTIES

Dear community,

As you are all aware, we are in difficult times. Society and government are struggling with social gatherings during this pandemic. Many of us would love to get together. When the time is right, we will make it happen. Until then, we have released Rector Todd Hunt and Rectora Kirsten Ackmann of their responsibilities. Unfairly, they have been trying to plan a weekend with only resulting in cancelation. This has taken a toll on them. As a secretariat, we are encouraging them to seek peace during this time, and not be strung along wondering if and when the next weekend will occur. We are also seeking direction from Tres Dias International as many other communities are placed in limbo also. We will be glad to resume when more clarity for holding social events has been determined. Thank you for your patients, prayer, and understanding.

Enjoy being used of Him in this time of waiting,

Jeff Ingersoll

ALTD Lay Director

LIVING OUR 4TH DAY

With the current social landscape of our country and also the difficulties our world is facing right now, one may ask what can we do? Tres Dias has taught us the importance of taking what we have learned along with our faith and continuously living out our 4th day to those that are around us in our day to day lives. How can we do that? We can do that through loving others where they are at, we can lend a helping hand to someone in need, we can add positivity to the environment we are in, we can pray for those who ask or are in need of prayer, we can give people hope by sharing our own testimonies of how God saved us, we can disciple people who have been placed in our path, we can participate in virtual bible studies or reunion groups with other believers to help build up our faith/wisdom/knowledge or we can simply smile as we walk past someone because just maybe it is the only evidence of light for the person that day. Whatever it is let us hold true to the most important teachings from Christ: to love God and to love others.
