WEEKEND #43

We are so excited to announce that we will officially be holding weekend #43 this coming fall! The weekend will be held at Inspiration Ministries and we can't wait to reconnect with their staff. The dates for the fall weekends are as follows:

Men's Weekend- October 21-24, 2021

Women's Weekend- October 28-31, 2021

There are no words to describe how much we miss all of our community members faces, abrazos and most of all fellowship. This has been such trying times due to our current global pandemic and the different state orders we have been having to endure as our states try to do their best, as we all are, to feel our way through these unprecedented times. We are elated to finally be able to host a weekend again. In the coming weeks we will be announcing the weekend rector and rectora. Please keep these dates marked on your calendar and stay tuned for further information. We pray that God is preparing the hearts, minds and bodies of those that will be part of the upcoming team and those that will be attending as pescadores.

“And I am sure of this, that He who began a good work in you will bring it to completion at the day of Jesus Christ” Philippians 1:6

INSPIRED COFFEE

Did you know that Inspiration Ministries has a new ministry in the community of Lake Geneva called Inspired Coffee? If not please check out their website www.Inspiredcoffee.org.

Inspiration Ministries has been an integral part of our community for years and we would love to help them spread the word about their newest ministry. Please read the following information from Inspiration Ministries regarding their new endeavor.

Inspiration Ministries has been providing compassionate, Christ centered care for adults with disabilities for over 70 years. We currently have over 70 residents that call Inspiration “home”. Helping our residents address their spiritual, physical and social needs is something in which we excel.

As you also know, providing meaning and purpose for each individual is also critically important. Psalm 139 discusses how we were all “knit together, while we were still in our mother’s womb” ...knit together for a purpose! Endowed with gifts and abilities to bring honor and glory to God, and edify His Church! While we do a great job serving so many needs of our residents, there are opportunities to do so, even better.

Let us introduce, Inspired Coffee. A high quality coffee shop in Lake Geneva that not only provides great coffee...it provides a venue for instilling skill sets in having some of our residents become proficient in areas that are pertinent across many industries...perhaps helping them become more gainfully employed...but even more so, providing purpose and helping them realize they are contributing to growing the kingdom!

We would like to introduce Inspired Coffee, a great coffee with a greater purpose, to you and your congregants.

****For any local churches Inspiration Ministries is asking for help to spread the word, the following lists ways to help do that:**

We are proposing an “Inspired Sunday” where Inspired Coffee and Inspiration Ministries’ staff work with your Church volunteers, serving complimentary coffee for a Sunday. In return we are asking for one of the following if possible:

- Five to six minutes to speak to your congregation about our mission
- Show a 5 minute video that highlights the mission of Inspired Coffee ...1 minute follow up
- Mention us during your announcements, and why Inspired Coffee is in attendance...encourage your congregants to have a cup of coffee and get to know us

Inspired Coffee would also ask that churches consider partnering with us by:

- Including an Inspired Coffee info piece in your bulletin/worship folder (We will create the insert)

Including a brief snapshot of who we are, how we serve, and what we do in an email or social

media post to your congregants

Send a targeted email to your small group leaders, encouraging leaders to host a small group session in the Inspired Coffee conference room

Consider Inspired Coffee in your Missions budget, as we seek to reach people for Christ, and letting everyone know they are significant and purposeful in the eyes of the Lord

Pray for our outreach and ability to fully support adults with disabilities

Use our Inspired Coffee facilities for small group sessions, broadcasts, meetings, etc.

If at all possible I would appreciate the opportunity to simply to introduce us, and assess your receptivity in prayerfully supporting Inspired Coffee and Inspiration Ministries, and then, considering the above ask.

Blessings to you,

Brian Olson
